How will substitutions work?

Horse name and substitution

You must provide a name for your horse two hours before your run in the race you are entered. Registered names are preferred. You cannot use the name horse 1, horse 2 etc.

You may substitute a horse, but if the horse is already entered you cannot change draw position or run the horse in the same section. Any horse substitution must be made using the Change form two hours before your horse runs in the race you are making the change. All horse changes must be submitted on a Change Form.

Rider substitution

Any rider substitution must be made using the change form two hours before your horse runs in the race you are making the change.

Can I sell my run #s to someone else?

Selling a run is not allowed. You have to draw out completely. If there are spots still available, they can enter as a new entry.

Do I need to check-in?

Upon your arrival, you must check in at the Stall Office for any stalls or RVs. It is not necessary to check-in with the Event Office concerning your entry, but we encourage all contestants to visit the area outside of the Event Office to confirm their race positions with the draw sheets that will be posted and to check all incentives. Draw numbers for your entry can also be found on www.sarosepalace.com prior to the event.

You will need to check in with the gate man and be in the holding area five horses before your run. Failure to do so will result in a disqualification. The gate man will be located next to the alleyway going into the arena. Contestant's name will be called by the gate man three times, if the contestant is not **in the arena** by the third call, they will be disqualified. Only one horse may be in the alleyway at any time. Remember - the three official calls come from the gate man not the Announcer.

Do I need to provide coggins and health papers?

You must have a current coggins on each horse you bring on the grounds. You must have current health papers if you are from out of state.

Are we required to be in dress code for the races?

Full dress code is required for the October 21 & 22 Main Races in the Rose Palace Run.

Helmets are not required but all contestants are encouraged to wear one. Anyone not wearing the proper attire in the arena will be assessed a \$10 fine.

Other general rules

Sportsmanship

All contestants and their family members are expected to display good sportsmanship at all times. No level of abuse toward any animal at this event will be allowed. Foul language, misconduct, or abusive comments spoken to any contestant, spectator, staff member, or arena personnel will result in immediate contestant disqualification and no refund of entry fees. Contestants are also responsible for traveling companions and their family members.

Photos and videos

The San Antonio Rose Palace photographs and videotapes each contestant's individual run. These photos/videos are the property of The San Antonio Rose Palace and decisions made by The San Antonio Rose Palace management as a result of viewing photos and/or video are final.

Returned checks

There is a \$40 service charge on all returned checks from the bank, for any reason. If a check is not replaced with a cashier's check or money order within 30 days after the check is dated, the contestant will be put on the "ineligible" list.

Dogs

Dogs must be on a leash at all times.

Vendors

Vendor Forms are available on www.sarosepalace.com. There shall be no selling of any type of merchandise or professional service on the arena grounds, in stalls, or at trailers without a vendor contract with The San Antonio Rose Palace.

Time begins

Any time a contestant crosses the starting line, the time will begin.

No time

A "No Time" will be given to the contestant for the following reasons:

1. If the contestant "circles" their horse after entering or exiting the arena. The arena area begins past the plane of the alley.
2. If the contestant breaks or misses the barrel pattern.
3. If the contestant runs out of turn. It is the contestant's responsibility to know their draw position.
4. If a contestant knocks over a barrel. A "no time" will also be given if a barrel is knocked over and it sets up again on either end. Touching a barrel, including keeping it from falling, is permitted without penalty.
5. If the contestant's horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls off the horse after entering past the plane of the alley
6. Unable to get horse in arena in 60-second time limit.
7. If a horse stops forward motion.

Time limit

If a contestant is in the holding pen and attempts to enter the arena, but is unable to get the horse down the alleyway, then the gate man, after the second call, will give the rider 60 seconds to enter the arena. At the end of 60 seconds, if the horse has not broken the plane at the end of the alleyway into the arena, then the rider will be disqualified. (The reason for this rule is the safety of the contestant, the other contestants in the holding area and the employees.)

Barrel moved

If a barrel moved off its marker during competition, the barrel must be reset prior to the next competitor's run.

Horse and rider rule

Contestants may run any horse, regardless of ownership, but horse can only be run 1 time per section.

Horses in arena/alley

Only one horse may be in the arena, or alleyway, at any time during competition. (The reason for this rule is the safety of the contestant. Accidents can occur where the assisting horse gets in front of the contestant horse and the contestant horse then decides to go and runs into the assisting horse.)

A horse can be assisted to the mouth of the alley, but persons on foot are not allowed in the alley or the arena once the horse and rider have entered. The gate man will enforce these rules implicitly.

Re-runs

Re-runs shall be granted if the official and backup timer both fail to work properly, unless a barrel has been turned over resulting in a no time. If the barrels are not placed properly on their markers, a rerun shall also be granted without any penalties being applied; however, any penalty occurring on the rerun shall result in a no time.

Training in arena

Contestants who are given a no time, either for breaking the pattern or for knocking down a barrel, may complete the pattern. However, show management may, at its discretion, ask a rider who is taking excessive time to train to leave the arena immediately. If such request is not complied with, a \$25 fine may be assessed.

Fastest run possible

Contestants must attempt to make the fastest run possible. Any obvious attempt to "pull up" or pace their run may result in the following penalties- 1st Offense - Warning, 2nd Offense - \$50 fine, 3rd Offense - one year on the "ineligible" list at The San Antonio Rose Palace events.

Tie for prizes

If any contestants' times are tied, the prize money will be split equally. We will flip a coin to determine who wins prizes.

Payout requirements

To receive your money, a completed W-9 must be on file prior to competition or payout will be delayed or even forfeited.

Fines

Fines must be paid prior to collecting winnings.

Disqualifications

Any act deemed prejudicial to the best interests of The San Antonio Rose Palace may result in the disqualification of the contestant, with no refund of entry fees. The contestant may also be placed upon the "ineligible" list for The San Antonio Rose Palace. These acts may include but are not limited to the following:

Using abusive or intemperate language or attempting to threaten, bribe, influence, or harass any contestant, spectator, staff member, or Arena Personnel. Also, any remarks made with the intent to cast aspersions on the character or integrity of a staff or management member.
